The Islamic Education Center is a spring that quenches the thirst of those looking for true spirituality in the desert of materialism, a huge blessed tree to rest under its wide shadow from the heat of corruption which exists elsewhere, a masjid to supplicate and pray in, a school to learn in, a center to provide and receive services, and eventually a place to get near to Allah through righteous activities. We praise Allah (swt) for helping us to be one of the unique communities that has been able to maintain its unity and provide services to the Muslim community and progress year after year.
