The Islamic Education Center of Houston serves the community as a center for the Friday congregation, Islamic celebrations, community programs, and above all -- a center for imparting knowledge about Islam and promoting Islamic values.

The IEC thrives under the guidance of our resident scholar Farhat Abbas, diligence of our board members, hard work of our volunteers and generosity of our selfless members.

Among the primary goals of IEC is to inform and educate Muslims and non-Muslims alike about Islam, and to provide information about Islam on varying levels of inquiry, from the casual passer-by to a believing and practicing Muslim who wishes to extend his or her knowledge and level of piety.

Please visit IEC and learn about Islam.
